RANGE CAPTAIN'S MESSAGE

The range inspection on March 15 was a great success! Thank goodness for Candice's interpersonal skills. We earned a grand total of 307 points, broken down as follows: 90 points for group 1; 60 points for group 2; 52 points for group 3; 65 points for group 4; and 40 points for group 5. A big "Thank You!" to all the Club Members who worked so hard to make our range one of the best in the California!

Thanks to the few hearty souls that braved the weather to come help at May's work party. We were able to make up much needed targets. Looking forward to June and July work parties, we need as many volunteers as we can get to help ready the range for our big B.C. Shoot in August. There will be a special work party the Friday before the shoot, but there is much to do around the range to get ready. We also have tasks for those who are unable to do the physical jobs, such as making targets and stapling and folding of newsletters, so we can use any help with those items. The B.C. Shoot is one of the club's biggest income generators. In order to keep people coming, we need to make it a great event!

ATTENTION ALL BOW HUNTERS!

Jim Langell will be holding an IBEP Certified Bow Hunter class on Friday June 26th and Sunday, June 28th. The times are from 7-10pm on the 26th and 8-4pm on the 28th. While California currently does not require a special certification for bow hunting—and this is not considered a CA Hunter Safety Class—many other states and many foreign countries *do* have this requirement. Call Jim at (650) 392-5128 for details. There are flyers posted at the Club House as well.

BC SHOOT!

The BC Shoot is fast approaching! The shoot dates are Saturday and Sunday, August 1-2 and we will be holding a special setup Work Party for the shoot on Friday, July 31. There will be a sign-up board posted at the Club House for members who can help run the shoot. Jim Robison will not be running a custom t-shirt booth this year so if you want a particular shirt/design for the please see him before the shoot.

BC SHOOT CAMPING

There will be campers setting up on the 100-yard range the Friday before the BC shoot. Please keep this in mind if you use the 100-yard range.

GENERAL HUNTER SAFETY

If you plan on hunting game or non-game animals in CA, you must show proof that you took a Hunter Safety class. If you need to take a Hunter Safety class, the California Dept. of Fish and Game has our very own John Brusco listed as an instructor. He teaches the classes at the Pacific Rod and Gun Club on beautiful Lake Merced. Call John at (650) 588-0924 for details.
