### NOTES FROM YOUR RANGE CAPTAIN

If you haven't visited the clubhouse lately, you need to stop by and see what we've been busy doing! The roof has been repaired, so there won't be any drips and dribbles with the winter rain. The walls on the wood stove side have been sheet rocked and painted, the stove corner has been beautifully tiled in slate, and the stove has been renovated. Many thanks to all the members who volunteered their time and back-breaking labor, it couldn't have been completed without you! Jim Padilla, Jim Long, Paul Stenko, Rich Fletcher, John Talamantez, Danny Rebarchak, Donnie Connell, Matt Farley, and Tim Hamack as well as yours truly. Thanks also to Rich Fletcher, John Talamantez, and Danny Rebarchak for all their work repairing the roof on the beer stand at White #6! It's fantastic that we have members who want to take pride in the club and make it better for all the members to enjoy. A special thanks to our members of the board and officers that have initiated and seen to completion all the projects that have been done around the club in the past two years.

There has also been a major cleanup done of the area surrounding the clubhouse. We

have cleared multiple truckloads of debris from under the buildings and on top of the storage containers. Please remember the club is not a place to dump your unwanted items. If you wish to donate something to the club, please contact the Range Captain at the number listed on the board roster. Anyone leaving unauthorized items will be asked to remove them.

We welcome all members who would like to join us in the many projects that take place either on work parties or give me a call to find out when you can help out. There are still projects in the works, such as the outdoor lighting and children's practice area renovation. As fall and winter approach there will also be much work to do on the ranges maintaining the trails and targets. As I've said before, we will have jobs for all abilities, so everyone is welcome to come down and help.

– *Mike Lew*

### EDITOR'S NOTES

The archery range is a public park. Dumping items there is against the law and punishable by fines up to \$1,000.00.

We need helpers for the SFA Outreach Program! Working an Outreach Sunday counts as a work party. Please contact Jack Rauch at 650-355-1442 or [jncr2@aol.com](mailto:jncr2@aol.com) if you are able to help out.

If you have any articles or calendar events that you would like to see published in the club newsletter, please submit them to [editor@sfarchers.com](mailto:editor@sfarchers.com).
